World Radiology Day
CME on “X-rays SEEING the UNSEEN”

Organized by: Department of Radiology and Imaging Technology **In Association with:** Allied Healthcare Profession Education & Research (AHAHPER) **Date:** 12th November 2024 **Venue:** Era University, Lucknow.

The Department of Radiology and Imaging Technology, in association with the Allied Healthcare Profession Education & Research (AHAHPER), organized a Continuing Medical Education (CME) program titled "**X-rays: Seeing the Unseen**" on 12th November 2024. The event was graced by the presence of the eminent speaker, **Prof. (Dr.) Teerath Raj Verma** from **King George's Medical College (KGMC), Lucknow**.

The CME aimed to enhance the knowledge and skills of students and professionals in the field of radiology and imaging technology. Approximately **180 students** actively participated in the event, making it a highly successful and engaging academic endeavor.

The program featured an insightful lecture delivered by **Prof. (Dr.) Teerath Raj Verma** shared his profound expertise on the advancements and applications of X-ray imaging in modern healthcare. His presentation shed light on innovative techniques and their importance in diagnostic practices.

Following the lecture, a **Felicitation Ceremony** was conducted, where **the Honorable Vice Chancellor and Dean of Era University, Lucknow**, felicitated the guest speaker and expressed gratitude for his valuable contribution. The Vice-Chancellor also emphasized the significance of such educational initiatives to keep healthcare professionals updated with the latest advancements.

The event concluded with a vote of thanks, appreciating the efforts of the organizing committee, the participants, and the distinguished speaker for making the CME a grand success. Feedback from attendees highlighted the enriching and informative nature of the session.
